

# RAN Plenary Draft programme

10 November 2015, Hotel Metropole  
Place de Brouckère 31, Brussels (BE)

---

The RAN Plenary will be the kick-off for the RAN activities under a new four year framework contract concluded in October 2015. It brings together RAN practitioners with a view to fostering their continued engagement and contribution to tackling radicalisation in line with evolving challenges and policy objectives.

The RAN Plenary introduces the new RAN working groups and their respective draft mission statements. It will also pay tribute to outgoing WG Leaders and welcome candidate WG leaders to be formally appointed at the forthcoming Steering Committee on 11 November 2015.

The Plenary will give you the opportunity to exchange knowledge, experiences and discuss future topics with practitioners from your own working group, but also with RAN practitioners from the other 8 working groups. Although each of these working groups has its own goals, there are cross-cutting themes and liaison between the different WGs is a horizontal responsibility.

## Programme

Chair of the meeting, Olivier Luyckx, European Commission, DG Home

9:00-9:30      **Registration and coffee**

9:30            **Welcome by the Commission**
